MAD SIN

20 Years in Sin Sin...

'20 Years In Sin Sin' is a celebration of the lifetime of musical depravity that has epitomised the career of the band. This collection spans the years since their inception back in those squat dwelling days of two decades ago. As well as old favourites and rare B-Sides the new album boasts six brand new studio tracks, five which emanate from the poison pen of Koefte De Ville as well as barnstorming live performance recorded on their triumphant tour of America last year which climaxed at this Hollywood show...
